## HOW TO BECOME A CHRISTIAN

### **Admit You Are a Sinner**

The Bible teaches that all people have sinned, lost the desire to serve God, and have no ability to save themselves. We see this truth in the realization that human failures, wrong choices, and our stubborn self-will leave us guilty & powerless, and that habits can easily become addictions that are almost impossible to break. Not only that, but sin affects our whole society, creating a world full of injustice, greed, oppression, pornography, and violence. Despite mankind's sinfulness, God did not stop loving us. As strange as this may seem, John 3:16 tells us that God loved the world so much that he sacrificed his only son, so that believers will not perish but live forever. Through the life, death, & resurrection of Jesus, we may become children of God and receive the sure hope that this *new* life will continue beyond death, in heaven. That's the good news (that is, the *gospel*) of the Christian faith!

### **Repent of Your Sin**

It's not enough to just admit you've sinned. You must *regret* those sins, then *turn away* from them. The Bible uses several words to describe a genuine response to the gospel. The first is *repentance*, which means *turn around* or *change of mind*. It's a crucial part of responding to the gospel. When you hear the word *repentance*, you may think of being sorry. Being sorry is appropriate, but it's not the main sense of the word repentance. To repent is to turn toward God and away from self. More than just a change in your emotions, godly repentance involves a change in your thinking *and* your actions. God changes your will & your behavior. True repentance means you want to please God rather than yourself.

### **Commit Your Life to Jesus**

*Faith* is another key word the Bible uses to describe a genuine response to the gospel. Accept, by faith, what God has done and receive salvation as a gift. In response, commit your life to following Jesus, and enter into a relationship with him through prayer, Bible reading, and worship. We come to know & love God more through the Holy Spirit, who enters our hearts when we commit our lives to Jesus. Once we've committed our lives to Jesus, the Holy Spirit continues to work in us to mold us into children of God. "When the Spirit of truth comes," said Jesus in John 16:13-14, "he'll guide you into all the truth...he'll take what is mine and declare it to you." It's not important how we come to Jesus, but that we come.

### **Live a Life of Gratitude to God**

Christian living involves a transformation of our whole lives out of gratitude to God. *Obedience* to God is an opportunity to *give thanks* to God for what *He* has done — not a means of winning approval, but of showing love to God. Jesus taught, "If you love me, you'll keep my commandments" (John 14:15). This understanding has two important consequences. First, it frees us from continual concern about our performance. We don't need to keep asking *Am I good enough?* (none of us are) because our purpose is to let our lives express our gratitude. Second, all of life is now an opportunity to serve God. One way Christian's display gratitude is by *worshipping* God. We also express gratitude through the way we treat our family, perform our jobs, use our leisure time, interact with neighbors, spend money, and share our faith.

### **A Sinner's Prayer**

Lord Jesus, I know that I am a sinner and do not deserve eternal life. But I believe You died and rose from the grave to make me a new creation and to prepare me to live in your presence forever. Jesus, I repent of all my sins; take control of my life, forgive my sins and save me. I am placing my trust in You alone for my salvation and I ask for your free gift of eternal life.
